Before you play this know which

La-a-a-nd Ho-o-o! It's Tiny Toon Adventures™ - Buster's Hidden Treasure™ for Sega™ Genesis™. As Buster Bunny, you've landed in a 33 stage treasure hunt adventure. Check out the animated terrain and "toon" your big blue ears into the groovular sound effects. Bounce through cartoon turf such as the Underground Sea and a Waterfall so wacky, you won't know which way is up.

You've got to rescue your pals and find the treasure before spoiled Montana Max spoils your plans. But you'll practically have to move mountains if you're going to make it through the mountainous Radar Range.

You're drooling for that 14 carrot gold, but so is every other toonster in town! Dr. Gene Splicer has even brainwashed (we use the term loosely) Elmyra and Dizzy Devil to do his dirty work. Here in the Excavation Factory you'll really have to crank out the carrot juice to survive.

Welcome to the Fungusamungus Forest, where creepy trolls and owls are just dying to meet you. But hang on to your carrots, Gogo Dodo will show you where to go throughout this adventure.

The Plains! The Plains! This fantasy island is fraught with freaky flatlands. Before they flatten you, watch out for unidentified falling objects,

electric zappers, moving walls, levers and misplaced rakes.

Editor's NOTEBOOK

Dear Archie Readers,

To begin with, I want to thank the hundreds of Archie fans who wrote me expressing their opinions about which Archie character should have a baby sister or brother. The editorial staff as well as the publishers took every letter into consideration. I also want to thank all our other readers for their patience and for giving me one more month to make the announcement. Believe me, this was tough! Anyway, the moment of truth has arrived. Here it is.....

JUGHEAD IS GOING TO BE A BROTHER! This very special announcement will be made by Jughead's mom in JUGHEAD #46 JUNE' on sale

March 30. Issues #47 through #49 will explore a wide range of emotions that an event like this can inspire. Jughead must come to grips with the fact that his life will change forever. Issue #50 will be the long awaited event. Will Jughead's new sibling be a boy or a girl? What will his/her name be? Will Jug's new brother or sister inherit the famous Jughead Jones appetite? It looks like Riverdale may never be the same again-or will it?. One thing we know for sure-Jughead and his family won't be the same.

I'm sure many of you out there will be able to relate to this situation and give Jughead advice. You'll have that opportunity right from the beginning in issue #46. So get ready to be part of this event. Collect all of these history-making issues.
